BOOK SYNOPSIS

Addict Chick: Sex, Drugs & Rock N Roll is brutally honest, sexually graphic, and completely real. At 34, Amanda Meredith had it all - A successful career, a home, a child, and everything that should have made her happy. She was also crazy in love; his name was Cage, and their love would become her first addiction-but not her last. Some would say that love destroyed her, but what she let ravage her mind, body, and soul had nothing to do with love and everything to do with a deep-seated need to destroy herself. With the prick of a needle, and a shot of methamphetamine, she lost everything- her child, her career, and she lost Cage. Her story is not for the faint of heart. Addict Chick: Sex, Drugs & Rock N Roll is her heartbreak, her sorrow, and the story of how she fought like hell to save herself, with a little help from the Man above. In this memoir, one woman proves that no matter who you are, and no matter how far you have fallen, nobody is beyond redemption.
